## THE LAGUNA PEDESTRIAN BRIDGE IS IN PLACE!

When the seasonal floating bridge goes up, summer can't be far behind. Public Works installed the bridge on May 3, 2022, and also re-opened the Laguna Meadowlark Field trail system. The Laguna de Santa Rosa Wetlands Preserve is ready and waiting for pedestrians and bicyclists to enjoy the outdoors.

The bridge is accessed behind the Little League field at the Community Center. Dogs are allowed if kept on leash at all times. [Trail Map](#)

## CALLING ALL ARTISTS AND CREATIVE LOCALS

## It's the Sebastopol Community Upcycled Art Project

The Art Project is to be designed to educate and inspire by activating potential in affecting climate change. It is to be created through contributions from the community. **This project will symbolize the interconnectivity of all life.**

- The Central Art Piece will be a kaleidoscope of upcycled glass housed in a welded case.
- The supporting art pieces will be installed throughout town.

### Community artists are invited to create supporting pieces that will:

- explore innovative ways to address the environmental challenges we are currently facing.
- be curated from the abundance that already exists within our lives.
- utilize upcycled materials.
- specifically address subjects under the **general category of climate change: water, air, solar, carbon sequestration, social inequities, our waste stream, and consumption.**

Alongside the supporting art pieces will be a companion QR code that links the viewer to a website which will include information on: the makers of the piece, the topic of the piece, actions regarding the topic, and any recent news on local organizations working on a goal related to the topic.

Submissions accepted on a rolling basis for supporting art piece proposals.

For more information and the Art Piece Submission form click [HERE](#).

Completed forms should be turned in to the Planning Dept. at Sebastopol City Hall or emailed to [ClimateActionCommittee@cityofsebastopol.org](mailto:ClimateActionCommittee@cityofsebastopol.org)

## PG&E PERFORMING ONGOING GAS SAFETY VEGETATION WORK

Pacific Gas and Electric Company (PG&E) is performing ongoing gas safety vegetation work and our communities can help keep the area above and around the gas transmission pipeline safe.

It's important to keep the area above a gas transmission pipeline clear of structures, trees and brush, as they can block access in an emergency or for critical maintenance work. These types of items can also damage the pipe and potentially cause corrosion which can lead to leaks. That's why, as part of their commitment to safety, PG&E regularly inspects the area above and around the pipeline and partners with customers to address any items that pose a safety concern.

### **The community can help keep the pipeline safe by:**

- Calling 811 before starting a digging or landscaping project so any underground utilities can be marked.
- Monitoring and reporting any suspicious activity near pipelines.
- Following the guide to safe landscaping when deciding where to install new trees and plants.
- Ensuring structures are installed at least 14 feet away from the pipeline.

Visit the City's website [here](#) for more information and resources.

## WATER CONSERVATION TIP OF THE WEEK

Water savings are urgently needed. See the City's [Water Conservation page](#) for actions you can take to reduce water usage and check out these indoor and outdoor water conservation tips from the [Sonoma-Marin Saving Water Partnership](#).

Here's this week's tip to help you reduce your water consumption:

- **At home or while staying in a hotel, reuse your towels. It's critical that we all do our part to save water.**

## COVID-19 INFO & RESOURCES

# COUNTY OF SONOMA

## COVID-19 TESTING LOCATIONS

*Free, convenient, confidential COVID-19 testing is available to all Sonoma County residents, regardless of document status*

See the [SoCoEmergency Calendar](#) for a list of testing locations in the County.

See the [SoCoEmergency Testing](#) page for more information.

Although many test sites say “walk-ins welcome” health officials now do not want people with symptoms standing in lines for tests. They suggest staying home and trying to schedule a test. You can also order 4 free at-home tests per household. Find more information at <https://www.covidtests.gov>.
