We're Saving Water YOU CAN TOO!

www.sebsaveswater.com

GET YOUR WATER SAVING SEBASTO-PAIL NOW!

Water-conserving Sebastopol residents can stop by the Public Works Department office at 714 Johnson Street Monday through Thursday 8 AM to 4:30 PM to pick up a bucket.

As the Sebastopol Buckets were purchased with water enterprise funds we are asking that the buckets be supplied to current residents that have a City of Sebastopol Water account.

If you don't have a City of Sebastopol Water account there is a resource for county residents where you can pick up a free water saving kit including a bucket on Saturday, August 21st. Click [here](#) for more information or see the next article.

Pick up your Sebasto-Pail at the Public Works Department. It's the perfect way to collect the running water while you wait for hot water, and use it to water plants.

TIP: Use your new Sebasto-Pail to collect the running water while you wait for hot water and use it to water plants. It's critical that we all do our part to save water.

Water savings are urgently needed. See the City's [Water Conservation page](#) for actions you can take to reduce water usage and check out these indoor and outdoor water conservation tips from the [Sonoma-Marin Saving Water Partnership](#).

FREE WATER SAVING KITS AT REGIONAL "DROUGHT DROP BY" EVENT - AUGUST 21

Water customers throughout the North Bay will be able pick up a free water saving kit during a three-county "Drought Drop By" event.

Saturday, August 21, 2021, from 8 a.m. - 12 p.m.

Find locations and information at: SavingWaterPartnership.org/dropby

Drop by for curbside pick up of a free water-saving kit*:

- A one-gallon bucket to catch water for reuse
- WaterSense labeled low flow showerhead
- 5-minute shower timer
- WaterSense labeled low flow faucet aerator
- Toilet dye test tablets
- Self-closing garden hose nozzle

***While supplies last. Limit one kit per household.**

Every drop saved helps maintain water flows in the Russian River and extends reservoir storage levels.

INPUT NEEDED! PLEASE TAKE THE WATER METER SURVEY!

SEBASTOPOL WATER METER SURVEY

With water conservation a top priority, the City of Sebastopol is exploring ways to give its water customers tools to gain greater control over their own usage and to be alerted to leaks in real time. Many other water providers in our region have found success with cellular water meters and an accompanying app where customers will have instant access to this information.

We are conducting a short survey of water customers to gather input on whether or not they feel that such a program would be of value. Survey results will be shared with the City Council to help inform their decision-making process about the cellular water meter program.

This survey will end on October 1, 2021.

IVES PARK / CALDER CREEK NATURALIZATION PROJECT KICKS OFF AT 8/24 PLANNING COMMISSION MEETING

The City of Sebastopol adopted the Ives Park Master Plan in March 2013. One important component of this plan is to 'naturalize' Calder Creek, which runs through the park in a concrete channel. The City Council approved funding for the initial stages of this work, which includes a hydrology study and other planning work to redesign the channel. Additionally, the City has engaged with Waterway Restoration Institute (WRI), to work with the City and public to provide some alternative design scenarios for the creek based on public input, the Ives Park Master Plan and the basic environmental parameters needed to make the creek alive and beautiful again as it flows through Ives Park and reaches immediately up and downstream. WRI's work is being done through a Switzer Foundation grant.

The kick off for this effort will begin with the August 24, 2021 Planning Commission meeting at 6:00 p.m. (<https://us02web.zoom.us/j/84200790137> Meeting ID: 842 0079 0137).

Ann Riley, Executive Director of the WRI and Jessica Hall will present a slide show illustrating what other small communities have done to restore their degraded urban creeks to provide food for thought on what Calder Creek could become. The next steps in the design process will be a public meeting in September that includes information on stream project failures and successes in order to make sure we take advantage of lessons learned in other locations, review of the Master Plan and how the creek modifications can fit into it or inform future revisions, and targeted meetings with stakeholders.

They will provide alternative design scenarios for the creek based on public input, the Ives Park Master Plan and the basic environmental parameters needed to make the creek alive and beautiful again. This effort comes at no cost to the city because of a grant made by the Switzer Foundation to Switzer Fellow Jessica Hall.

ZERO WASTE SONOMA MINI-GRANTS FOR REUSABLE FOODWARE

Zero Waste Sonoma has a mini-grant program of up to \$250 to help businesses purchase reusable food ware supplies and materials. Eligible expenses for reusable food service ware may include, but are not limited to: baskets, plates, bowls, ramekins, cups, mugs, trays utensils, bulk dispensers, self-service bins, dishwashers, and payment to third-party support for reuse. Establishing a rentable Party Kit with reusable food ware is another eligible expense.

Click [HERE](#) for more information.

PLEASE NOTE: Funding is limited, and available only on a first come, first served basis. Zero Waste Sonoma may not be held responsible if this funding runs out before you are reimbursed.

SLOW DOWN SEBASTOPOL!

Back to School

2021-2022

According to the California Department of Public Health (CDPH), recent evidence indicates that in-person instruction can occur safely without a minimum physical distancing requirement when other mitigation strategies are implemented.

As California schools plan for a complete return to in-person instruction for the 2021-22 school year, universal masking and other Covid-19 mitigation strategies will be prioritized.

Masking in School Settings Regardless of Vaccination Status*

When Indoors
Masks are required
for everyone

When Outdoors
Masks are optional
for everyone

On School Buses
Masks are required
for everyone

*Based on CDPH guidance released July 12, 2021. CDPH will continue to assess conditions and will determine no later than Nov. 1, 2021 whether to update its universal mask requirement.

ARE YOU PREPARED FOR A PUBLIC SAFETY POWER SHUTOFF (PSPS)?

Public Safety Power Shutoff
Tips to Help You and Your Family Prepare

April 2021

At PG&E, our most important responsibility is the safety of our customers and communities. **During severe weather, we may need to turn off power for public safety. This is called a Public Safety Power Shutoff (PSPS).** We know losing power is disruptive to your work and personal life, so we want to help you prepare. To learn more about PSPS events, visit pge.com/psps.

What factors lead to a PSPS?

As each weather situation is unique, we review a combination of factors to decide if power must be turned off. These include:

- Low humidity levels**, generally 30% and below
- Forecast of high winds** above 20 mph and **wind gusts** in excess of ~30-40 mph
- Condition of dry material** on the ground and low moisture content of vegetation
- Red Flag Warning** declared by the National Weather Service
- On-the-ground, real-time observations**

How will you be notified of a PSPS event?

We will share what we know as soon as we can, keeping in mind that weather conditions can be uncertain.

Notifications will be made through **calls, texts and emails.**

Notifications will include:

- ✓ When power is expected to be **shut off and restored**
- ✓ A link to pge.com/pspsupdates with access to:
 - Outage maps
 - Community Resource Center locations
 - Available resources

Are you ready for a potential power outage?

To help prepare for public safety outages, here are some things to consider:

- Update your contact information** and preferred language for PSPS notifications by visiting pge.com/mywildfirealerts or calling **1-866-743-6589**.
- Prepare and practice your emergency plan** to ensure that everyone knows what to do.
- Plan for medical needs** like medications that require refrigeration or devices that need power.
- Build and/or restock your emergency supply kit** with flashlights, fresh batteries, first aid supplies, food, water and cash.
- Identify backup charging methods** by visiting pge.com/backuppowers.

Where can you find additional resources?

- Review safety resources, preparedness tips and emergency planning tools. safetystationcenter.com
- Receive extra help to prepare for public safety outages from the Disability Disaster Access and Resources Program. disabilitydisasteraccess.org
- Sign up for Address Alerts to be notified about a potential PSPS at any important address. pge.com/addressalerts
- Review the PG&E Emergency Preparedness Checklist. pge.com/emergencychecklistbiz
- If you rely on power for medical or independent living needs, apply for our Medical Baseline Program. pge.com/medicalbaseline
- Help children learn the importance of emergency preparedness with games, safety tips and quizzes. kidsemergency.com

25% MANDATORY WATER USE REDUCTION IN SEBASTOPOL

On July 6, 2021, the Sebastopol City Council passed a [resolution](#) (Stage 2 Mandatory Compliance) calling for mandatory 25% reduction of water use. This resolution limits or prohibits a number of activities including outdoor irrigation, filling of swimming pools, car washing, and others. Learn more about our region's water resources and how you can conserve them.

ASK SLOW CAT!

THIS WEEK'S QUESTION: Are the water saving buckets available to residents on the outskirts of Sebastopol or just for city limit residents?

ANSWER: As the Sebastopol Buckets were purchased with water enterprise funds we are asking that the buckets be supplied to current residents that have a City of Sebastopol Water account.

If you don't have a City of Sebastopol Water account there is a resource for county residents where you can pick up a free water saving kit including a bucket on Saturday, August 21st. Click [here](#) for more information.

SIGN UP FOR ALERTS

Make sure that you have signed up for:

[SoCoAlerts](#); and

Nixle Alerts (either [online](#) or by texting your zip code to 888777)

It is important to register for both types of alerts. If you receive Nixle alerts, read them thoroughly and click on any links.

Text Fire or Fuego (for Spanish) to 211-211 for updates.

More information on alerts may be found [here](#).

KNOW YOUR ALERTS

The City of Sebastopol uses multiple notifications and warning systems to make sure emergency alerts are delivered to the people who need the information.

Emergency Alert System (EAS) - No Registration Required

National public warning system that will interrupt local broadcast tv and radio programming to provide an alert in the event of a large-scale emergency.

Wireless Emergency Alerts (WEA) - No Registration Required

Urgent alerts sent as text-like messages to your mobile phone based on your location (you will only receive notification if you are in the area of the emergency). WEAs have three alert categories– Imminent Threat, AMBER, Presidential. You must keep the factory settings on to your WEA- capable phone to receive a WEA.

SoCoAlert - Registration Required

Emergency notification service providing Sonoma County first responders the ability to alert residents by landline or mobile phone, text message and email about imminent threats to life and property in specific impacted areas. Register all addresses that you'd like to receive alerts for (work, child's school, etc.). You don't have to be in the location of the emergency to receive alert.

Must register at SoCoAlert.com OR call (866) 939-0911, press "0" at the menu, ask operator for assistance with registering for SoCoAlert.

Nixle - Registration Required

Community information service managed by Sonoma County Fire District and Sonoma County Sheriff's Office. Community messages are sent to email, and for critical emergencies, Alert messages are sent via text message and email (notifications are NOT delivered by phone call). Customize your settings at nixle.com to control which types of notifications you receive. Must register at nixle.com or text your zip code to 888-777

Local Radio and Television

Local news broadcasters to provide updates during an emergency. Tune radio to 1350 AM, 103.5 FM, 100.1 FM, 89.1 FM (bilingual), 98.7 FM (Spanish); watch preferred local TV news channel.

Hi/Lo Sirens

Sebastopol police cars and fire department vehicles are outfitted with new Hi/Lo sirens, a different sound than traditional sirens. This European-style, 2-tone siren will only be used in an emergency to alert residents within specific areas of the need to evacuate.
