LOCAL BOY SCOUTS PARTICIPATE IN COMMUNITY CONSERVATION PROJECT TO CELEBRATE EARTH DAY

On Sunday April 18th, Troop 27 led a conservation project with help from Troop 509 and Pack 128 to bring a valuable beautification habitat to our community in support of Earth Day. This project was sponsored by the City of Sebastopol and supported by Sebastopol Public Works. Public Works Superintendent Dante Del Prete and his staff assisted in laying out the plan for the project and provided tools. The group was able to plant 3 oak trees and several shrubs and bushes on the hill in front of the city corp office.

Several groups benefitted from this project. The plants were purchased from Jail Industries which supports Sonoma County incarcerated individuals with job training. They worked with a local landscape architect, Cary Bush, to select native drought resistant plants. The local Boy Scout troops participated in a local work project and were able to perform their civic duty and learn about team dynamics and leadership.

They all worked together safely, adhering to COVID rules including temperature checks and masks.

TAKE THE TAKEOUT PLEDGE

Once a Week is All We Ask

Join Mayor Una Glass and Vice Mayor Sarah Glade Gurney in pledging to order takeout once each week from one of our local restaurants. If even half the households in Sebastopol were to participate, it would go a long way towards helping to keep our local restaurants in business and many local residents employed. The dozens of restaurants in Sebastopol offer everything from budget friendly pizzas and tacos to fine dining. Most restaurants offer online ordering and curbside pickup, and some even deliver.

Check out the [City's Open Businesses](#) page or the [Chamber of Commerce's](#) site to see what's open and offering special services, and take The Takeout Pledge! With support from local news app Townsy, you can now [sign up](#) to take the Takeout Pledge to receive additional information, special offers, and discounts from local restaurants.

Townsy is holding a drawing at the end of the month for all those who signed the pledge for a dinner for 2 at a Sebastopol restaurant of the winner's choice.

The City of Sebastopol uses multiple notifications and warning systems to make sure emergency alerts are delivered to the people who need the information.

Emergency Alert System (EAS) - No Registration Required

National public warning system that will interrupt local broadcast tv and radio programming to provide an alert in the event of a large-scale emergency.

Wireless Emergency Alerts (WEA) - No Registration Required

Urgent alerts sent as text-like messages to your mobile phone based on your location (you will only receive notification if you are in the area of the emergency). WEAs have three alert categories– Imminent Threat, AMBER, Presidential. You must keep the factory settings on to your WEA- capable phone to receive a WEA.

SoCoAlert - Registration Required

Emergency notification service providing Sonoma County first responders the ability to alert residents by landline or mobile phone, text message and email about imminent threats to life and property in specific impacted areas. Register all addresses that you'd like to receive alerts for (work, child's school, etc.). You don't have to be in the location of the emergency to receive alert.

Must register at SoCoAlert.com OR call (866) 939-0911, press "0" at the menu, ask operator for assistance with registering for SoCoAlert.

Nixle - Registration Required

Community information service managed by Sonoma County Fire District and Sonoma County Sheriff's Office. Community messages are sent to email, and for critical emergencies, Alert messages are sent via text message and email (notifications are NOT delivered by phone call). Customize your settings at nixle.com to control which types of notifications you receive. Must register at nixle.com or text your zip code to 888-777

Local Radio and Television

Local news broadcasters to provide updates during an emergency. Tune radio to 1350 AM, 103.5 FM, 100.1 FM, 89.1 FM (bilingual), 98.7 FM (Spanish); watch preferred local TV news channel.

Hi/Lo Sirens

Sebastopol police cars and fire department vehicles are outfitted with new Hi/Lo sirens, a different sound than traditional sirens. This European-style, 2-tone siren will only be used in an emergency to alert residents within specific areas of the need to evacuate.
