PLANNING COMMISSION CO-HOUSING PRESENTATION - MARCH 9

In our on-going effort to expand community housing options, the City of Sebastopol's Planning Commission will learn about co-housing in this public presentation on **March 9, 2021 at 7pm via Zoom**. Tom Kuhn and Micheal Jacob from Sebastopol's Two Acre Wood co-housing community will give a 35-45 minute presentation and be available for questions.

Tom Kuhn has been a part of Two Acre Wood since before the completion of construction in 1999. In 2017, he retired from 12 years at Burbank Housing where he worked as a Project Manager. One of the projects he managed was Sequoia Village Co-housing in Sebastopol and he can give some perspective on that as well.

Michael Jacob is a current Two Acre Wood resident, and served as a Planning Commissioner for two terms.

We invite the public to join via zoom and to learn more about co-housing as a community housing model.

Zoom information coming soon.

TAKE THE TAKEOUT PLEDGE

Once a Week is All We Ask

Join Mayor Una Glass and Vice Mayor Sarah Glade Gurney in pledging to order takeout once each week from one of our local restaurants. If even half the households in Sebastopol were to participate, it would go a long way towards helping to keep our local restaurants in business and many local residents employed. The dozens of restaurants in Sebastopol offer everything from budget friendly pizzas and tacos to fine dining. Most restaurants offer online ordering and curbside pickup, and some even deliver.

Check out the [City's Open Businesses](#) page or the [Chamber of Commerce's](#) site to see what's open and offering special services, and take The Takeout Pledge! With support from local news app Townsy, you can now [sign up](#) to take the Takeout Pledge to receive additional information, special offers, and discounts from local restaurants.

ASK SLOW CAT!

THIS WEEK'S QUESTION: Are septic systems (in ground waste disposal) permitted in the city of Sebastopol?

ANSWER: Superintendent of Public Works Dante Del Prete gave me the scoop on septic systems. He said that although there are some older septic tanks that are currently within city limits, no new septic systems are permitted. When old systems fail, the property must be connected to the city sewer system.

DID YOU KNOW:

IF EVERYONE WORE MASKS

PROPERLY, COVID-19 CASES

WOULD REDUCE UP TO 80%

covid19.ca.gov

Coronavirus spreads when an infected person speaks, sneezes, or coughs within 6 feet of others. You may have the virus and spread it even if you feel well.

To prevent infection, you must cover your nose and mouth when outside your home. So wearing a mask is now required statewide. Wearing a mask or cloth face covering can slow the spread of COVID-19 by limiting the release of virus into the air. It also reinforces physical distancing, and shows you care about the health of others.

See the following website for more information and guidance on wearing masks:

EMERGENCY SAFETY & PREPAREDNESS

HAVE YOUR GO BAGS READY!

Are you prepared to evacuate if necessary?
Are your go bags ready?

Even though Sebastopol hasn't been under any evacuation orders or warnings, all citizens should be prepared to evacuate in the event one becomes necessary.

Everyone in your family should have their own Go Bag that contains a minimum of 72 hours worth of essential supplies. Personalize kits and keep them where they can easily be reached—at home, in the car, at work or school.

This is particularly important during fire season when a quick getaway may be needed. A backpack or other small bag is best for these kits so that they can be easily carried in an evacuation. During the COVID-19 pandemic additional considerations for your Go Bag include cloth face coverings, hand sanitizer, anti-bacterial wipes, and a thermometer.

SIGN UP FOR ALERTS

Make sure that you have signed up for:

[SoCoAlerts](#); and

Nixle Alerts (either [online](#) or by texting your zip code to 888777)

It is important to register for both types of alerts. If you receive Nixle alerts, read them thoroughly and click on any links.

Text Fire or Fuego (for Spanish) to 211-211 for updates.

More information on alerts may be found [here](#).

KNOW YOUR ALERTS

The City of Sebastopol uses multiple notifications and warning systems to make sure emergency alerts are delivered to the people who need the information.

Emergency Alert System (EAS) - No Registration Required

National public warning system that will interrupt local broadcast tv and radio programming to provide an alert in the event of a large-scale emergency.

Wireless Emergency Alerts (WEA) - No Registration Required

Urgent alerts sent as text-like messages to your mobile phone based on your location (you will only receive notification if you are in the area of the emergency). WEAs have three alert categories– Imminent Threat, AMBER, Presidential. You must keep the factory settings on to your WEA- capable phone to receive a WEA.

SoCoAlert - Registration Required

Emergency notification service providing Sonoma County first responders the ability to alert residents by landline or mobile phone, text message and email about imminent threats to life and property in specific impacted areas. Register all addresses that you'd like to receive alerts for (work, child's school, etc.). You don't have to be in the location of the emergency to receive alert.

Must register at SoCoAlert.com OR call (866) 939-0911, press "0" at the menu, ask operator for assistance with registering for SoCoAlert.

Nixle - Registration Required

Community information service managed by Sonoma County Fire District and Sonoma County Sheriff's Office. Community messages are sent to email, and for critical emergencies, Alert messages are sent via text message and email (notifications are NOT delivered by phone call). Customize your settings at nixle.com to control which types of notifications you receive. Must register at nixle.com or text your zip code to 888-777

Local Radio and Television

Local news broadcasters to provide updates during an emergency. Tune radio to 1350 AM, 103.5 FM, 100.1 FM, 89.1 FM (bilingual), 98.7 FM (Spanish); watch preferred local TV news channel.

Hi/Lo Sirens

Sebastopol police cars and fire department vehicles are outfitted with new Hi/Lo sirens, a different sound than traditional sirens. This European-style, 2-tone siren will only be used in an emergency to alert residents within specific areas of the need to evacuate.

ARE YOU FLOOD READY?

The rainy season runs from October to May. The most severe flooding historically occurs between December and March. During this time you should be aware of anticipated weather conditions and take appropriate actions.

Know the flood warning signals: The Police, Fire Department, Public Works Department and Emergency Manager for the city are notified of rising floodwaters. Listen for Flood Warnings on local TV, and radio station KRSO 1350. Sign up for local alerts on your mobile phone. ***Be sure to heed the flood warnings.***

Flood safety:

Do not walk through flowing water. Drowning is the number one cause of flood deaths. Currents can be deceptive; six inches of moving water can knock you off your feet. Use a pole or stick to ensure the ground is still there before you go through an area where the water is flowing. Avoid contact with floodwaters. Do not allow children or pets play in floodwater. This water may be contaminated and poses a health hazard.

Do not drive through a flooded area. More people drown in their cars than anywhere else.

Don't drive around road barriers; the road or bridge may be washed out.

Stay away from power lines and electrical wires. The number two Killer after drowning is electrocution. Electrical current can travel through water. Report downed power lines to PG&E or call 911.

Be alert for gas leaks. Use a flashlight to inspect damage. Don't smoke or use candles,

lanterns, or open flames until you are positive the gas service is turned off and the area has been ventilated.

Sandbags

During the storm season, the Public Works Department offers free sand and sandbags behind the Youth Annex at 425 Morris Street. Please note, this is a self-serve area without night lighting. Shovels, bags, and sand (of course) are provided.

What can you do now to prepare?

- Find out if you live in or near a flood zone
- Have a personal/family emergency plan
- Have personal/family/pet disaster kits prepared

REMEMBER: *Turn around, don't drown*

Tell Your Story

What comes to mind when you think about the past year? Sonoma County Library invites our communities to collectively build the historical record of living through COVID-19, the Black Lives Matter movement, and the impacts on daily life locally. [Sonoma Responds](#) is an English/Spanish online portal where you can preserve your stories through a variety of media.

Ways to Share

- Post on social media using #SonomaResponds
- Respond to reflective prompts online
- Upload images, videos, recordings, writings
- Nominate online content for a web archive
- Nominate material for the physical archive

Your submissions will be the primary sources that future generations use to understand the age of social distancing. These stories will live in the library's [Digital Collections](#) and with its online partners such as the Online Archive of California, Calisphere, and the Internet Archive.
