## CITY OF SEBASTOPOL AND SEBASTOPOL FIRE DEPARTMENT LAUNCH SEBASTOPOLREADY.ORG

During a large local emergency, the Sebastopol Fire Department and other area first responders will deploy personnel and equipment to the areas where they are needed most. With resources likely stretched thin, many areas will be on their own for hours, days, or longer. The City of Sebastopol and Sebastopol Fire Department have launched [SebastopolReady.org](#), an emergency and disaster preparedness and readiness resource with information on how neighbors can prepare to provide care, safety and comfort simply by working together. The Sebastopol Fire Department supports neighbors helping neighbors and provides a proven 9 step framework for each neighborhood to use and build upon.

The new resource has been a collaborative effort with the Map Your Neighborhood (MYN) Leader Council and brings together the emphasis and efforts of the MYN Program to help residents learn to work together. The primary goal of [SebastopolReady.org](#) is to help our local residents continue in their interest and efforts to take responsibility for themselves during emergencies.

[SebastopolReady.org](#) is intended to evolve as resiliency improves and expands in the future.

## ALL OUTDOOR BURNING SUSPENDED

The California Department of Forestry and Fire Protection (CAL FIRE) has announced the enactment of a burn suspension, beginning at 12:01 AM Monday, May 10, 2021, which bans all outdoor burning.

According to CAL FIRE, California is entering its second consecutive dry year and is bracing for what could be another devastating wildfire season. While wildfires are a natural part of California's landscape, the fire season in California and across the West is starting earlier and ending later each year. Climate change is considered a key driver of this trend. Warmer spring and summer temperatures, reduced snowpack, and earlier spring snowmelt create longer and more intense dry seasons that increase moisture stress on vegetation and make forests more susceptible to severe wildfire.

The increasing fire danger posed by dead grass and hotter, drier conditions in the region is prompting CAL FIRE to suspend all burn permits for outdoor residential burning within the State Responsibility Areas of Sonoma, Lake, Napa, Solano, Yolo and Colusa counties. This suspension takes effect Monday May 10, 2021, and bans all residential outdoor burning of landscape debris such as branches and leaves.

See the [Press Release](#) for more information.

---

## NO FIREWORKS IN SEBASTOPOL

Due to the extreme fire danger that they present, the Sebastopol City Council voted unanimously on May 4, 2021 that fireworks are

no longer permitted to be sold or used within Sebastopol City Limits.
