**NO FIREWORKS IN SEBASTOPOL!**

**Reminder from Sebastopol Fire and Police Departments:** Please remember as you celebrate Independence Day this year, there are **NO** types of fireworks that are legal in Sebastopol. ## **CITY COUNCIL TO CONSIDER STAGE 2 WATER CONSERVATION MEASURES AT THE JULY 6 COUNCIL MEETING**

## **"SAVING WATER CHALLENGE" OFFERS PRIZES TO ENCOURAGE CONSERVATION DURING RECORD-SETTING DROUGHT**

# **SAVING WATER CHALLENGE**

## **DROUGHT IS HERE. JOIN THE SAVING WATER CHALLENGE!**

Water providers in the North Bay are offering prizes to encourage water customers to save water during a month-long “Saving Water Challenge” that starts on July 1 and is sponsored by the Sonoma-Marín Saving Water Partnership. A list of prizes – which includes High-efficiency clothes washer, High-efficiency toilet, Smart irrigation controller, Smart Home Water Monitor, Rainwater catchment system, and Gift certificate for a carwash at a carwash that recycles wash water – will be given out to water customers who visit [savingwaterpartnership.org/challenge](https://savingwaterpartnership.org/challenge) and pledge to save water.

The Russian River watershed is in a historic drought. The region has experienced the third driest water year on record over the last 127 years. Lake Sonoma and Lake Mendocino water supply levels have reached historically low levels. It is critical that aggressive water saving by our communities occurs now.

Water customers can enter the Saving Water Challenge by visiting [savingwaterpartnership.org/challenge](https://savingwaterpartnership.org/challenge) and taking a pledge to save water, and view a list of prizes, which include:

- High-efficiency clothes washer
- High-efficiency toilet
- Smart irrigation controller
- Smart Home Water Monitor
- Rainwater catchment system
- Gift certificate for a carwash at a carwash that recycles wash water

For more details and to enter the Saving Water Challenge, visit [savingwaterpartnership.org/challenge](https://savingwaterpartnership.org/challenge)

## CHECK OUT WATER UPGRADES \$AVE, A WATER- AND MONEY-SAVING PROGRAM

The City of Sebastopol is proud to offer Water Upgrades \$ave, a water efficiency program that helps you save water and money.

### Are you a single-family homeowner or renter?

It's simple to participate — enroll online or by phone and schedule a free home assessment to select the water efficiency upgrades that make the most sense for your property. The Program installs the upgrades with little-to-no upfront cost, and you pay a fixed on-bill charge that is lower than the estimated savings — so you begin saving right away.

Indoor upgrades include high-efficiency toilets, showerheads, and aerators; future outdoor upgrades will support conversion to drought tolerant landscaping.

Participants get new building code-compliant upgrades that improve the property while reducing their water, sewer, and water-heating costs.

### Are you a multi-family property owner?

Contact us today to schedule a project assessment and identify your savings opportunity.

Vice Mayor Gurney said that while “the Water Upgrades \$ave program will benefit local governments by buffering the impact of our rate increase, it will also help our local citizens by giving them an affordable tool to lower their water and energy use.”

For more information, go to the program website [www.waterupgradessave.org](http://www.waterupgradessave.org) or call us at 877-846-8795.

## EMERGENCY SAFETY & PREPAREDNESS

### HAVE YOU CHECKED OUT SEBASTOPOLREADY.ORG?

During a large local emergency, the Sebastopol Fire Department and other area first responders will deploy personnel and equipment to the areas where they are needed most. With resources likely stretched thin, many areas will be on their own

for hours, days, or longer. The City of Sebastopol and Sebastopol Fire Department have launched [SebastopolReady.org](#), an emergency and disaster preparedness and readiness resource with information on how neighbors can prepare to provide care, safety and comfort simply by working together. The Sebastopol Fire Department supports neighbors helping neighbors and provides a proven 9 step framework for each neighborhood to use and build upon.

The new resource has been a collaborative effort with the Map Your Neighborhood (MYN) Leader Council and brings together the emphasis and efforts of the MYN Program to help residents learn to work together. The primary goal of [SebastopolReady.org](#) is to help our local residents continue in their interest and efforts to take responsibility for themselves during emergencies.

[SebastopolReady.org](#) is intended to evolve as resiliency improves and expands in the future.
