NEW PROGRAM INCENTIVIZES ORGANIZATIONS TO INSTALL ELECTRIC VEHICLE CHARGING STATIONS

On July 8, 2020, the [Sonoma Coast Incentive Project](#) will begin providing rebates for installing electric vehicle (EV) charging infrastructure. This is an excellent opportunity for **businesses, nonprofits, tribes,** and **government entities** to attract EV drivers, become a local leader in sustainability, get ahead of the state-wide transition to clean vehicles, and save money on equipment and installation.

The incentives will help cover the purchase and installation costs of publicly available or workplace EV chargers. Eligible applicants may qualify for:

- Up to \$80,000 per direct current (DC) fast charger
- Up to \$7,500 per Level 2 connector

The incentives will be on a *first-come, first-served basis*, and demand is expected to be high. With the launch date approaching, it is important to start preparing for the application process.

To sign up for email notifications about important deadlines, and to learn more about this exciting opportunity, visit our [CALeVIP webpage](#).

A [webinar](#) is being hosted on Wednesday, June 17 at 1:00 PM which will provide more information and walk interested parties through the application process.

ARE YOU READY FOR FIRE SEASON?

Now is the time to prepare! CalFire has several resources to help you make these preparations.

[Homeowners Checklist: How to Make Your Home Fire Safe](#)
[Ready, Set, Go! Your Personal Wildfire Action Plan](#)
[Defensible Space and Hardening Your Home](#)

See the [Fire Department Page](#) for More Information and Additional Resources

WILDFIRE IS COMING. ARE YOU READY?

Defensible Space is your property's front line defense against wildfire. Creating and maintaining defensible space around your home can dramatically increase your home's chance of surviving a wildfire and improves the safety of firefighters defending your property. 100 feet of defensible space is required by law.*

**ONE LESS SPARK
ONE LESS WILDFIRE**

*For more information on creating defensible space and legal requirements visit

READYFORWILDFIRE.ORG

TWO ZONES MAKE UP THE REQUIRED 100 FEET OF DEFENSIBLE SPACE:

ZONE 1: 30 feet of Lean, Clean & Green

- 1 Remove all dead plants, grass and weeds.
- 2 Remove dead or dry leaves and pine needles from your yard, roof and rain gutters.
- 3 Keep tree branches 10 feet away from your chimney and other trees.

ZONE 2: 30-100 feet of Reduced Fuel

- 4 Cut or mow annual grass down to a maximum height of 4 inches.
- 5 Create horizontal spacing between shrubs and trees.
- 6 Create vertical spacing between grass, shrubs and trees.

Use Equipment Properly to Keep from Sparking a Wildfire

- 7 Mow before 10 a.m., and never on a hot or windy day. String trimmers are a safer option (vs. lawnmowers) for clearing vegetation.

VERTICAL SPACING

Large trees do not have to be cut and removed as long as all of the plants beneath them are removed. This eliminates a vertical "fire ladder."

HORIZONTAL SPACING

Create horizontal and vertical spacing between plants, the amount of spacing will depend on how steep the slope is and the size of the plants.

SEBASTOPOL FIRE DEPARTMENT HOLDING FIELD DRILL JUNE 14TH

The Sebastopol Fire Department will be holding a "Field Drill" in various neighborhoods and areas of Sebastopol to test radio communications and signal strength on June 14th beginning at 2pm.

See the [Field Drill PSA](#) for more information.

WATER CONSERVATION

Please continue to practice water conservation as much as possible. Things are green now, but California is still technically in a drought, with Sonoma County showing

REMINDER: CONTINUE TO FOLLOW HEALTH ORDER GUIDELINES

The most current order from the County Health Officer was released on June 5, 2020. The order, No. C19-14: Stay Well Sonoma County, extends the Shelter in Place, allowing more businesses to operate in the County.

As businesses continue to open up and more activities are allowed to resume they are still subject to the requirements for social distancing, hygiene, and face coverings, as well as any specific protocols or business-specific guidance.

For details and more information see the [Order](#).

ESSENTIAL SERVICES WILL CONTINUE:

- **The City of Sebastopol will not turn off water due to nonpayment.** The City recognizes the hardship that the pandemic and resulting Shelter in Place Orders, have created in our community, and will temporarily suspend non-emergency turnoffs and late fees.
- **PG&E will not cut off power due to nonpayment.** PG&E voluntarily implemented a moratorium on service disconnections for non-payment, effective immediately. This suspension will apply to both residential and commercial customers and will remain in effect until further notice.

- **Recology will not suspend trash service due to nonpayment.** Recology understands that customers are starting to request delay of payments or payment plans due to the circumstances, and they are sensitive to what the community is going through. Recology will not stop service due to non-payment at this time.
