ALL OUTDOOR BURNING SUSPENDED

The California Department of Forestry and Fire Protection (CAL FIRE) has announced the enactment of a burn suspension, beginning at 12:01 AM Monday, May 10, 2021, which bans all outdoor burning.

According to CAL FIRE, California is entering its second consecutive dry year and is bracing for what could be another devastating wildfire season. While wildfires are a natural part of California's landscape, the fire season in California and

across the West is starting earlier and ending later each year. Climate change is considered a key driver of this trend. Warmer spring and summer temperatures, reduced snowpack, and earlier spring snowmelt create longer and more intense dry seasons that increase moisture stress on vegetation and make forests more susceptible to severe wildfire.

The increasing fire danger posed by dead grass and hotter, drier conditions in the region is prompting CAL FIRE to suspend all burn permits for outdoor residential burning within the State Responsibility Areas of Sonoma, Lake, Napa, Solano, Yolo and Colusa counties. This suspension takes effect Monday May 10, 2021, and bans all residential outdoor burning of landscape debris such as branches and leaves.

See the [Press Release](#) for more information.

NO FIREWORKS IN SEBASTOPOL

Due to the extreme fire danger that they present, the Sebastopol City Council voted unanimously on May 4, 2021 that fireworks are no longer permitted to be sold or used within Sebastopol City Limits.

TAKE THE SEBASTOPOL TEMPORARY PARKLET PROGRAM SURVEY!

SEBASTOPOL TEMPORARY PARKLET PROGRAM SURVEY

In an effort to better serve our community during the pandemic, Sebastopol applied for and received permission from Caltrans (which is responsible for Highways 12 and 116) for the temporary installation of several parklets (outdoor seating areas adjacent to the sidewalks in the parking lane of the street) in the downtown area.

Parklets are considered public spaces and are not reserved for patrons of adjacent businesses. Businesses commit to keeping the parklets in front of or near their establishments clean, but the parklets may be used by anyone.

We would like to hear from community members about whether or not they would like the parklets to continue.

Survey results will be shared with the City Council to help inform their decision-making process about the future of parklets in Downtown Sebastopol.

This survey will end on May 28.

Once submitted, if you don't see a confirmation message, scroll up or down on your phone or computer to check for the confirmation message. The message may appear in a different location depending on which device and browser you are using.

CALIFORNIA WILL ALIGN ITS MASK GUIDANCE WITH THE CDC'S ON JUNE 15, 2021

Statement from California Health and Human Services Secretary Dr. Mark Ghaly on Mask Guidance

May 17, 2021 - "California has made amazing progress in our fight against COVID-19. With more than 34 million vaccines administered, we now have among the lowest case and positivity rates in the nation. On June 15, California plans to implement the CDC's guidelines around masking to allow fully vaccinated Californians to go without a mask in most indoor settings. This four-week period will give Californians time to prepare for this change while we continue our relentless focus on delivering vaccines, particularly in underserved communities. We urge all Californians to get vaccinated to ensure that infection and hospitalization rates remain low across the state and that we can all return to the activities we love. Until June 15, when California plans to fully reopen the economy, California will [keep our existing guidance](#) around masks in place. As of May 3, 2021, face coverings are no longer required outdoors except at crowded events, and for unvaccinated people, when physical distancing cannot be maintained. In indoor settings outside of one's home, including public transportation and schools, face coverings continue to be required regardless of vaccination status."

For more information, visit covid19.ca.gov.

CALIFORNIANS,

When Do You Need Your Mask?

The following masking guidance will be in effect until June 15 when California aims to fully reopen the economy.*

Out in Public

Everyone

Wear a mask indoors in public places (unless you're eating or drinking).

Wear a mask at all times on public transportation.

Wear a mask in indoor and outdoor crowded places such as concerts, parades, sporting events, fairs, etc.

If you can maintain physical distance from others, you may go unmasked outdoors.

**This guidance does not apply to healthcare settings.*

†You are fully vaccinated two weeks or more after your second dose of Pfizer/Moderna or two weeks after your single dose of the J&J vaccine.

Indoors at Home

If You are Fully Vaccinated†...

You may go unmasked if everyone is vaccinated.

You may go unmasked if those who are unvaccinated are members of a single household, and also at low risk for severe COVID-19 disease.

Wear a mask if anyone present is both unvaccinated and at high risk for severe COVID-19 disease.

If You are Not Vaccinated...

Wear a mask if those who are unvaccinated are from two or more different households (e.g., children from two or more different households).

You may go unmasked if those who are unvaccinated are members of a single household.

Please see our complete [Guidance for the Use of Face Coverings](#) at [cdph.ca.gov](https://www.cdph.ca.gov) for more information.
