TAKE THE VISION ZERO SURVEY AND HELP END TRAFFIC FATALITIES IN SONOMA COUNTY

Vision Zero is a countywide initiative, led by a partnership between the Sonoma County Department of Health Services and the Sonoma County Transportation Authority, which pledges to reduce all traffic related deaths to zero. The purpose of this survey is to gain an understanding of traffic safety concerns and experiences within the county as a way to inform the development of the Vision Zero Action Plan for Sonoma County. Your answers are confidential. This will take 5-10 minutes to complete.

SUPPORT LOCAL FARMS BY SHOPPING THE FARMERS' MARKET

As we approach the holidays, now is a great time to get all the fresh ingredients you need by shopping the farmers markets.

The [Sebastopol Farm Market](#) is a great way to support local farmers and source healthy and delicious food for your family. While the market is year-round, it will soon be moving to its smaller winter footprint, opening up more parking in the Plaza parking lot for holiday shoppers.

It's now even more important that everyone attending the market, vendors and shoppers alike, protect the health and safety of the entire community by stringently following all state and county health guidelines.

Masks are now mandatory at all times in public for anyone over the age of 2 with extremely limited exceptions. See the California Department of Public Health guidelines [here](#). Please help preserve the viability of this valuable resource by wearing a mask and urging those around you to do the same.

The Sebastopol Farmers' Market also offers curbside pickup. Check out their [website](#) for a list of vendors and to order curbside pickup.

GOVERNOR NEWSOM ANNOUNCES NEW IMMEDIATE ACTIONS TO CURB COVID-19 TRANSMISSION

As COVID-19 cases sharply increase across the country and California, Governor Gavin Newsom and state public health officials announced immediate actions today to slow the spread of the virus. The state is pulling an emergency brake in the [Blueprint for a Safer Economy](#) resulting in 94.1 percent of California's population in the most restrictive tier. This change became effective November 17th. The state will reassess data continuously and move more counties back if necessary. California is also strengthening its [face covering guidance](#) to require individuals to wear a mask whenever outside their home, with limited exceptions.

The rate of growth in confirmed COVID-19 cases is faster than it was in July, which led to a significant peak in cases. This requires a swift public health response and action from all Californians to slow the spread of the virus. Immediate action will help protect individuals at higher risk of severe illness or death from COVID-19 and will help keep the state's health care delivery system from becoming overwhelmed.

This action will remain in effect until the State Public Health Officer determines it is appropriate to make modifications based on public health conditions and data.

See the full announcement from the Governor [here](#).

Please also see the Limited Stay at Home ("Curfew") order issued on November 19 [here](#).

NEW ONLINE TOOL AVAILABLE TO BOOK COVID-19 TESTING APPOINTMENTS

Sonoma County is conducting **free, confidential COVID-19 Viral** testing for those that live or work in Sonoma County. You can now make an appointment online by visiting the online scheduler [here](#) and selecting one of the available locations (you do not need to create an account to make an appointment).

- **Each individual must schedule their appointment separately.**
- Each person must provide a **unique email address OR cell phone number** in order to receive results automatically. (Email address not required for appointment)
- Two people cannot share the same email nor cell phone number.
- If you need help making appointments for multiple family members or young children, call our hotline at 707-565-4667.

Visit the SoCo Emergency website [here](#) for more testing information.

PLAN FOR A SAFE THANKSGIVING CELEBRATION

As many people in the United States begin to plan for fall and winter holiday celebrations, [CDC](#) offers the following considerations to help protect individuals and their families, friends, and communities from COVID-19.

Thanksgiving is a time when many families travel long distances to celebrate together. [Travel](#) increases the chance of getting and spreading the virus that causes COVID-19. Staying home is the best way to protect yourself and others. If you must travel, be informed of the [risks involved](#).

Lower Risk Activities

- Having a small [dinner](#) with only people who live in your household
- Preparing traditional family recipes for family and neighbors, especially those at higher risk of severe illness from COVID-19, and delivering them in a way that doesn't involve contact with others
- Having a virtual dinner and sharing recipes with friends and family
- Shopping online rather than in person on the day after Thanksgiving or the next Monday
- Watching sports events, parades, and movies from home

Moderate Risk Activities

- Having a small outdoor [dinner](#) with family and friends who live in your community
 - Lower your risk by following CDC's recommendations on [hosting gatherings or cook-outs](#).
- Visiting pumpkin patches or orchards where people use hand sanitizer before touching pumpkins or picking apples, wearing masks is encouraged or enforced, and people are able to maintain social distancing
- Attending a small outdoor sports events with safety precautions in place

Higher Risk Activities

Avoid these higher risk activities to help prevent the spread of the virus that causes COVID-19:

- Going shopping in crowded stores just before, on, or after Thanksgiving
- Participating or being a spectator at a crowded race
- Attending crowded parades
- Using [alcohol or drugs](#), which can cloud judgement and increase risky behaviors
- Attending large indoor gatherings with people from outside of your household

SONOMA COUNTY ISSUES RECOMMENDATIONS FOR SAFER HOLIDAYS AND TRAVEL

Sonoma County joins health officials from ten Bay Area counties in issuing recommendations for safer holidays and travel - Public urged to protect yourself and others from COVID-19

SANTA ROSA, CA – The Sonoma County Department of Health Services joined health officers from the counties of Alameda, Contra Costa, Marin, Monterey, Napa, San Mateo, San Francisco, Santa Clara, Santa Cruz and the city of Berkeley in issuing joint recommendations for staying safe during the holidays. The recommendations cover gatherings and travel, with recommended steps to reduce risk.

"With cases rising around the country, and continued high levels of COVID-19 here in Sonoma County, we must remain steadfast in our commitment to keep our community safe," said Dr. Sundari Mase, Health Officer for the County of Sonoma. "The best gift you can give to your families and friends this holiday season is safety. When possible, please celebrate at home with household members and limit travel."

The joint recommendations advise the public that if you gather in person, keep it small, short, stable, and outdoors. Also, nonessential travel, including holiday travel, is not recommended. Travel outside the Bay Area will increase your chance of getting infected and spreading the virus to others after your return. For those who are traveling, there are tips to help avoid catching COVID-19 or spreading it to fellow travelers. If you travel outside the Bay Area, it is strongly recommended that you self-quarantine for 14 days after your return if your activities while traveling put you at higher risk of getting COVID-19.

CELEBRATE WITHOUT GATHERING

The safest way to celebrate this holiday season is to do so virtually or with members of your household. Gathering with people outside your household – even extended family – increases the risk of getting and spreading COVID-19. Limit gatherings to no more than 12 people from no more than three households. However, there are many ways to enjoy the holidays with loved ones without gathering:

- Enjoy holiday traditions at home with your household
- Decorate your home and/or yard
- Share a virtual meal with family and friends
- Host online parties and/or contests
- Prepare meals using traditional recipes and deliver to family and neighbors
- Attend holiday movie nights at drive-in venues
- Visit holiday-themed outdoor art installations
- Participate in drive-by events where everyone stays in their vehicles

See the SoCoEmergency [website](#) for additional recommendations.

MYTH:

The flu is no big deal. Especially compared to COVID-19.

TRUTH:

The flu is no joke and can be very serious. Best case, mild symptoms slow you down and weaken your immune system. That makes you vulnerable to other illnesses, including COVID-19.

COVID-19 & HEALTH UPDATES

CURRENT STATE TIER ASSIGNMENT FOR SONOMA COUNTY: PURPLE

Based on this week's numbers, Sonoma County remains in the purple tier of California's Blueprint for a Safer Economy. This is the most restrictive level and is based on two main metrics — new daily cases per 100,000 and test positivity rate.

We have an adjusted new case rate of **15.0**. This is beyond the benchmark of 7, which is what is required to move us into a less restrictive tier. We have a test positivity rate of **4.3%**, which is below the benchmark of 8.0% to move us into the next tier. Because no counties were allowed to progress forward in tier assignment this week, the State withheld the equity metric testing positivity rate.

In order to move to the red tier, Sonoma County must either: 1) meet the state benchmarks for all the three metrics above for two weeks or 2) meet the testing positivity benchmark and have an equity metric rate of less than 5% for two weeks, even if the case rate is still above the benchmark.

Current status and information about tiers and allowable activities can be found at [California's Blueprint for a Safer Economy](#).

EXPANDED FREE COVID-19 POP UP TEST SITES

The County of Sonoma is doubling the number of pop-up test sites available to the public beginning Tuesday, Oct. 20 and is encouraging residents, particularly those disproportionately impacted by the coronavirus, to be tested regardless of whether they have symptoms or have been exposed to someone who is COVID-19 positive. [Read the press release.](#)

OUTDOOR PLAYGROUNDS CAN REOPEN WITH COVID-19 RESTRICTIONS

The California Department of Public Health announced that outdoor playgrounds and other outdoor recreational facilities can reopen. Visitors to outdoor community playgrounds must comply with the following requirements:

- Face masks over the mouth and nose are required for everyone 2 years of age or older with caregiver supervision at all times to ensure face mask use.
- Do not use the playground when different households are unable to maintain a physical distance of 6 feet or when the capacity limit has been reached.
- Caregivers must monitor to keep adults and children from different households at least 6 feet apart.
- Consider coming on different times or days to avoid wait times and potential crowded times.
- No eating or drinking in playground, to ensure face masks are worn at all times.
- Wash or sanitize hands before and after using the playground.
- Elderly and persons with underlying medical conditions should avoid playground when others are present.
- Limit visit to 30 minutes per day when others are present.

[Learn more, about the state's guidelines for outdoor playgrounds.](#)

COUNTY ISSUES AMENDMENT TO HEALTH ORDER

On September 23 Sonoma County issued *Amendment No. 1* to Health Order C19-15, which was originally issued in June. The amendment aligns the local order with [California's Blueprint for a Safer Economy](#)

For now, the alignment makes only minor changes, such as allowing childcare cohorts to increase from 12 to 16 students. As the county progresses through each tier, [state guidelines](#) will dictate how and when businesses and activities are allowed.

It's important to remember that this should not be seen as a return to normal. The virus is still not contained and continues to present a clear and present danger to the community. This is especially true of socializing and/or working indoors with non-household members. We remain particularly concerned with those most at-risk for serious health consequences and how the activities of those at lower risk can impact the most vulnerable.

FOCUSING ONEQUITY IN CALIFORNIA'S TIERED SYSTEM

The state is introducing a new health equity measure that will factor into tier placement. To be allowed to move or remain in less restrictive tiers, counties must reduce disparities in testing positivity between the most and least socioeconomically advantaged regions of the community, as ranked by the Healthy Places Index. The measure also ensures that counties provide culturally competent and linguistically congruent measures, including contact tracing and wrap around services for isolation/quarantine. The state of California assures us that more detailed information on this measure will soon be released.

SCHOOL WAIVERS UPDATE

When schools, public or private, are able to reopen for in-person instruction is determined not by the county Health Officer but by where Sonoma County stands in its efforts to slow the spread of COVID-19.

The state Department of Public Health is working closely with the Sonoma County Office of Education to determine guidelines for specialized in-person instruction.

Although we remain in the state's purple tier, recent improvements in our latest case rates mean that we can now consider waiver applications from schools for in-person learning under specific conditions.

For example, schools must submit comprehensive plans to address a spectrum of safety topics. Each school also must consult with their staff, parents, and community organizations about how to address critical concerns, such as doing their own surveillance testing and contact tracing if there is a COVID-positive student or staff member. Some of the other key areas that require detailed plans as outlined by the California Department of Public Health include:

- The regular cleaning and disinfecting of classrooms and facilities.
- The flow of individuals through entrances and exits, and all other movement within the school.
- Mandates about face coverings and other essential gear.
- Healthy hygiene practices.
- Physical and social distancing.
- Staff training and family education.
- Triggers for switching to distance learning if a class or the school must quarantine.
- And communication plans for parents and staff.

The state of California is urging schools to focus on providing specialized, targeted services for English learners, students with disabilities, students requiring access to the internet and devices for online learning. The state is also asking for plans for those who are most at-risk and have the highest need including students experiencing homelessness, neglect, or abuse.

Doctor Mase is currently reviewing the waivers submitted to the County and anticipates having more information available at the end of this week.

We all are concerned about the impacts of the COVID-19 pandemic on education and are eager to see our children back in classrooms. It's up to all of us to slow the spread enough that students can be back in classrooms - and stay in class.

SHOULD YOU GET A FLU VACCINE?

As the flu season approaches, health experts are concerned that adding another respiratory illness to the healthcare system during the COVID-19 pandemic could overburden providers and facilities. Getting the flu vaccine can help keep you and your loved ones healthy, while helping

conserve local healthcare resources.

The CDC recommends that all people 6 months and older get a flu vaccine every year, and we know it's especially important this year. Getting vaccinated now, before influenza is widespread in the community, can help ensure you are protected.

Though the flu vaccination is not 100% effective in stopping a person from getting the flu, a vaccine can make flu symptoms less severe. As we deal with this pandemic, having milder symptoms will help reduce hospitalization rates. Additionally, if fewer people have flu-like symptoms there will be more testing capacity for those who experience fevers, chills, and respiratory issues associated with both conditions. Finally, because it is possible for people to have COVID-19 and the flu simultaneously, patients can save themselves the discomfort and possible serious consequences of having both viruses in their systems at the same time.

HANDWASHING STATION LOCATIONS IN DOWNTOWN SEBASTOPOL

In an early response to help make our community safer during the COVID-19 pandemic, the City of Sebastopol set up a number of handwashing stations throughout the downtown area in mid-March.

In the meantime, we've added more locations and re-located some of the stations to be more convenient, including new portable restrooms and handwash facilities on Morris Street for homeless support services.

Current locations are:

- 1) City Parking Lot at Main St. and Burnett
- 2) North Main St., mid-block (south side of street between Bodega and Wilton)
- 3) 328 N. Main Street - On sidewalk entrance Community Bank parking lot
- 4) Adjacent to southwest corner of Town Plaza parking lot against rear wall of Silk Moon
- 5) Sebastopol Ave. (Route 12) at alley between Ramen Gaijin and WestAmerica Bank
- 6) 6902 Sebastopol Ave - Screamin' Mimi's Ice Cream- at side window on Petaluma Ave
- 7) & 7A) Outside public restrooms on east side of Town Plaza. There are also portable toilets at this location.
- 8) & 8A) Morris St. north of Laguna Park Way, northeast side of street. There are also portable toilets at this location

WEAR A MASK.

Slow the spread.

covid19.ca.gov

Coronavirus spreads when an infected person speaks, sneezes, or coughs within 6 feet of others. You may have the virus and spread it even if you feel well.

To prevent infection, you must cover your nose and mouth when outside your home. So wearing a mask is now required statewide. Wearing a mask or cloth face covering can slow the spread of COVID-19 by limiting the release of virus into the air. It also reinforces physical distancing, and shows you care about the health of others.

Don't wear your mask under your nose or just on your chin. A mask is only effective if it covers both ways you breathe.

Who needs a mask?

- Anyone going outside their home
- Workers in customer-facing industries
- Workers in offices, factories, or any group setting
- Doctors, nurses, and other health care professionals
- Other workers, as dictated by [industry guidance](#)

Who shouldn't wear a mask?

- Children under 2 years old
- Anyone with respiratory issues where it would impede their breathing
- Anyone unable to remove the mask without help
- Anyone with a medical condition, mental health condition, or disability that does not allow them to wear a mask

See a [complete list](#) of who should not wear a mask.

When should you wear a mask?

You should wear a mask or face covering whenever you'll be around someone you don't live with, including:

- In any indoor public space
- When waiting in line
- When getting health care
- On public transportation or when ride-sharing
- At work, when near others or moving through common areas
- Outdoors, if you can't stay 6 feet away from others

When can you take off your mask?

There are times when it's okay to take your mask off when you're away from home, such as:

- When eating or drinking
- If a hearing-impaired person needs to read your lips
- If wearing a face covering imposes a risk to you at work – for example, if it could get caught in machinery
- When you're not sharing a common area, room or enclosed space with others
- When you are getting a service to the nose or face
- When outdoors in public and can stay six feet from others

You should replace the mask as soon as you can after these activities to reduce the risk of infection.

For more information visit <https://covid19.ca.gov/masks-and-ppe/>

NEED HELP WITH ESSENTIAL RESOURCES?

Visit the [2-1-1 Free Referral Service](#) website if you have questions or needs.

For additional assistance, resources, and help with essential needs, see the [SoCo Emergency](#) resources webpage.

ESSENTIAL SERVICES WILL CONTINUE:

- **The City of Sebastopol will not turn off water due to nonpayment.** The City recognizes the hardship that the pandemic and resulting Shelter in Place Orders, have created in our community, and will temporarily suspend non-emergency turnoffs and late fees.
- **PG&E will not cut off power due to nonpayment.** PG&E voluntarily implemented a moratorium on service disconnections for non-payment, effective immediately. This suspension will apply to both residential and commercial customers and will remain in effect until further notice.
- **Recology will not suspend trash service due to nonpayment.** Recology understands that customers are starting to request delay of payments or payment plans due to the circumstances, and they are sensitive to what the community is going through. Recology will not stop service due to non-payment at this time.

FIRE SAFETY & PREPAREDNESS

HAVE YOUR GO BAGS READY!

**Are you prepared to evacuate if necessary?
Are your go bags ready?**

Even though Sebastopol hasn't been under any evacuation orders or warnings during the recent fire incident, all citizens should be prepared to evacuate in the event one becomes necessary.

Everyone in your family should have their own Go Bag that contains a minimum of 72 hours worth of essential supplies. Personalize kits and keep them where they can easily be reached—at home, in the car, at work or school.

This is particularly important during fire season when a quick getaway may be needed. A backpack or other small bag is best for these kits so that they can be easily carried in an evacuation. During the COVID-19 pandemic additional considerations for your Go Bag include cloth face coverings, hand sanitizer, anti-bacterial wipes, and a thermometer.

SIGN UP FOR ALERTS

Make sure that you have signed up for:

[SoCoAlerts](#); and

Nixle Alerts (either [online](#) or by texting your zip code to 888777)

It is important to register for both types of alerts. If you receive Nixle alerts, read them thoroughly and click on any links.

Text Fire or Fuego (for Spanish) to 211-211 for updates.

More information on alerts may be found [here](#).

KNOW YOUR ALERTS

The City of Sebastopol uses multiple notifications and warning systems to make sure emergency alerts are delivered to the people who need the information.

Emergency Alert System (EAS) - No Registration Required

National public warning system that will interrupt local broadcast tv and radio programming to provide an alert in the event of a large-scale emergency.

Wireless Emergency Alerts (WEA) - No Registration Required

Urgent alerts sent as text-like messages to your mobile phone based on your location (you will only receive notification if you are in the area of the emergency). WEAs have three alert categories– Imminent Threat, AMBER, Presidential. You must keep the factory settings on to your WEA- capable phone to receive a WEA.

SoCoAlert - Registration Required

Emergency notification service providing Sonoma County first responders the ability to alert residents by landline or mobile phone, text message and email about imminent threats to life and property in specific impacted areas. Register all addresses that you'd like to receive alerts for (work, child's school, etc.). You don't have to be in the location of the emergency to receive alert.

Must register at SoCoAlert.com OR call (866) 939-0911, press "0" at the menu, ask operator for assistance with registering for SoCoAlert.

Nixle - Registration Required

Community information service managed by Sonoma County Fire District and Sonoma County Sheriff's Office. Community messages are sent to email, and for critical emergencies, Alert messages are sent via text message and email (notifications are NOT delivered by phone call). Customize your settings at nixle.com to control which types of notifications you receive. Must register at nixle.com or text your zip code to 888-777

Local Radio and Television

Local news broadcasters to provide updates during an emergency. Tune radio to 1350 AM, 103.5 FM, 100.1 FM, 89.1 FM (bilingual), 98.7 FM (Spanish); watch preferred local TV news channel.

Hi/Lo Sirens

Sebastopol police cars and fire department vehicles are outfitted with new Hi/Lo sirens, a different sound than traditional sirens. This European-style, 2-tone siren will only be used in an emergency to alert residents within specific areas of the need to evacuate.

WILDFIRE IS COMING. ARE YOU READY?

As we have all seen with recent events, fire season is upon us. While Sebastopol did not come under an evacuation warning or order, we must continue to prepare.

All citizens are urged to step up your emergency planning for wildfires, including maintaining defensible space around the home, having an emergency plan in place, preparing a “go-bag” (including masks, gloves, and sanitizer), evacuating if ordered, and knowing several routes out of town. Visit readyforwildfire.org for quick information on fire preparedness and what to pack in the event of an evacuation. COVID-19 precautions still apply, so be sure to include masks, gloves, and sanitizer in your [go-bag](#). Review the [Evacuation Plan Checklist](#) and the [Be Ready: Evacuation Timeline](#) to help you prepare.

The Sebastopol Fire Department has confirmed that there is no evacuation “Zone Number” for Sebastopol City Limits. In the event of an evacuation warning or order, it will say “City of Sebastopol” or “Sebastopol City Limits.” Unincorporated Sebastopol is Zone 4. [Zone Map](#).

PLANNING DEPARTMENT NEWS

Façade Improvement Program

The City has approved four Façade Improvement applications on November 4, 2020. Funk & Flash (200 S. Main St. #110) was allocated funds for a new sign. Bare Raydiance Salon (6910 Weeks Way) was allocated funds for new paint, adding decorative paneling to the façade and signage. HopMonk Tavern (230 Petaluma Ave.) was allocated funds for landscape and exterior lighting improvements. Lastly, The Toyworks (6940 Sebastopol Ave) was allocated funds for new exterior lighting.

The deadline for review consideration is Tuesday, January 19, 2021.

If you would like to apply for or discuss the program in more detail, please contact Alan Montes, Associate Planner, at (707) 823-6167, AMontes@cityofsebastopol.org or take a look at our website: www.ci.sebastopol.ca.us/Local-Business/Business-Owners/Facade-Improvement

SERVICE REMINDERS: TAKE THE LEAVES TO THE CART, NOT TO THE CURB

SERVICE REMINDERS RECORDATORIOS DE SERVICIO

Do not pile leaves from your property on the street. Use your compost cart. Look for your street sweeping schedule at Recology.com/Sebastopol. Avoid street parking on sweep day. Make sure trees and shrubs don't grow into the roadway.

No apile hojas de su propiedad en la calle. Utilice su carrito de abono. Busque su horario de barrido de calles en Recology.com/Sebastopol. Evite el estacionamiento en la calle el día de barrido. Asegúrese de que no crezcan árboles y arbustos en la calzada.

NOT TO THE CURB

WATER CONSERVATION

Please continue to practice water conservation as much as possible. California is still technically in a drought, with Sonoma County showing “Moderate Drought” conditions. Click [here](#) for more information.

DON'T FLUSH WIPES!

Flushing wipes, paper towels and similar products down toilets will clog sewers and cause backups and overflows at wastewater treatment facilities, creating an additional public health risk in the midst of the coronavirus pandemic. Please do not flush disinfectant wipes or paper towels down the toilet.

Tell Your Story

What comes to mind when you think about the past year? Sonoma County Library invites our communities to collectively build the historical record of living through COVID-19, the Black Lives Matter movement, and the impacts on daily life locally. [Sonoma Responds](#) is an English/Spanish online portal where you can preserve your stories through a variety of media.

Ways to Share

- Post on social media using #SonomaResponds
- Respond to reflective prompts online
- Upload images, videos, recordings, writings
- Nominate online content for a web archive
- Nominate material for the physical archive

Your submissions will be the primary sources that future generations use to understand the age of social distancing. These stories will live in the library's [Digital Collections](#) and with its online partners such as the Online Archive of California, Calisphere, and the Internet Archive.

EDUCATION RESOURCES

SUPERVISED DISTANCE LEARNING PROGRAM WITH THE SEBASTOPOL CENTER FOR THE ARTS

The Sebastopol Center for the Arts is offering supervised distance learning for families needing daytime help for children Grades 1-5.

The program offers:

- A safe, supervised environment for schoolchildren grades 1-5
- Small groups of 10-12 children who are staying in the same group for 6 weeks
- Supervision of the children by experienced educators who actively support the children during the zoom classes offered by their school

- An ideal environment for children who do not perform well at home due to lack of assistance or supervision
- A place for the children to interact with peers and continue to have a social life during Covid
- Outdoor activities together
- After school program of art classes taught by experienced artists in their field: music, dance, arts and crafts and more

If you know of a family or child that could use this help, write as soon as possible to Dana Swint, Education Manager at edumanager@sebarts.org.

First priority goes to Sebastopol Union School District students, but invite anyone interested to contact us. Scholarships and sliding scale fees available.
