## REQUEST FOR PROPOSALS: CITY WEBSITE REDESIGN

The City of Sebastopol (City) invites proposals from consulting firms interested in providing website redesign, development, and hosting services for the City website ([www.cityofsebastopol.org](http://www.cityofsebastopol.org)). The City is seeking to update its website to enhance the user

experience, simplify content management, and provide improved citizen-centric information and customer service to its community, while meeting high standards for design quality and visual appeal.

## REQUEST FOR PROPOSALS

## CITY WEBSITE REDESIGN

### PURPOSE:

The City is seeking proposals from highly qualified, experienced website development companies to design, develop and implement its public-facing website. We are seeking to redesign our website to include an intuitive, easy-to-use interface that allows residents, visitors, and business partners to complete their tasks quickly and easily regardless of the device they are using. The solution should also be easy to maintain for our administrators and content creators, streamline business operations and increase productivity.

### NOTICE:

Notice is hereby given that the City of Sebastopol will receive Proposals until **3:00 PM, December 29, 2021** to provide services for providing website redesign, development, and hosting services for the City website. No Proposals will be received or considered after that time.

See the full Request for Proposals [HERE](#).

## HAVE YOU CHECKED OUT WATER UPGRADES \$AVE, A WATER- AND MONEY-SAVING PROGRAM?

A blue rectangular graphic with white and green text. On the left, it says "Lower your utility bills and save water!" in green. On the right, it features the "BAYREN Water Upgrades \$AVE" logo, where "BAYREN" is in white, "Water Upgrades" is in white, and "\$AVE" is in green.

Sebastopol's Water Upgrades \$ave program makes conserving water easy and affordable. Residents select water-efficient upgrades (toilets, showerheads, and faucet aerators) that automatically lower their water use. This translates into savings on their utility bills, covering the cost of the upgrades—and then some. Sebastopol has completed 36 single family projects resulting in an annual savings of 172,321 gallons of water. To learn more, visit [www.waterupgradessave.org](http://www.waterupgradessave.org) or call 877-846-8795.

## WATER CONSERVATION TIP OF THE WEEK

Water savings are urgently needed. See the

City's [Water Conservation page](#) for actions you can take to reduce water usage and check out these indoor and outdoor water conservation tips from the [Sonoma-Marín Saving Water Partnership](#).

Here's this week's tip to help you reduce your water consumption:

- **Capture rain to save water. While we need rain to help with the drought overall, it is also a great resource to tap for your personal household water use. Rain catchment systems can be super simple. Try diverting rain water from gutters into a container and then reusing that water as a way to help with the drought. It's critical that we all do our part to save water.**

## 16TH ANNUAL BUCKET BRIGADE BLOOD DRIVE CHALLENGE

It's time for the 16th Annual Bucket Brigade Blood Drive Challenge! The Bucket Brigade is a friendly competition among participating fire departments in Sonoma, Lake and Mendocino counties to demonstrate which department can attract the most donors. More donors equal more lives saved! Last year in December and January, our local Bucket Brigade provided 750 lifesaving units.

Be a donor in this life saving challenge!

## ARE YOU PREPARED FOR A PUBLIC SAFETY POWER SHUTOFF (PSPS)?

### Public Safety Power Shutoff Tips to Help You and Your Family Prepare

April 2021

At PG&E, our most important responsibility is the safety of our customers and communities. **During severe weather, we may need to turn off power for public safety. This is called a Public Safety Power Shutoff (PSPS).** We know losing power is disruptive to your work and personal life, so we want to help you prepare. To learn more about PSPS events, visit [pge.com/psps](http://pge.com/psps).

#### What factors lead to a PSPS?

As each weather situation is unique, we review a combination of factors to decide if power must be turned off. These include:

- Low humidity levels**, generally 30% and below
- Forecast of high winds** above 20 mph and **wind gusts** in excess of ~30-40 mph
- Condition of dry material** on the ground and low moisture content of vegetation
- Red Flag Warning** declared by the National Weather Service
- On-the-ground, real-time observations**

#### How will you be notified of a PSPS event?

We will share what we know as soon as we can, keeping in mind that weather conditions can be uncertain.

Notifications will be made through **calls, texts and emails.**

#### Notifications will include:

- ✓ When power is expected to be **shut off and restored**
- ✓ A link to [pge.com/pspsupdates](http://pge.com/pspsupdates) with access to:
  - Outage maps
  - Community Resource Center locations
  - Available resources

#### Are you ready for a potential power outage?

To help prepare for public safety outages, here are some things to consider:

- Update your contact information** and preferred language for PSPS notifications by visiting [pge.com/mywildfirealerts](http://pge.com/mywildfirealerts) or calling **1-866-743-6589**.
- Prepare and practice your emergency plan** to ensure that everyone knows what to do.
- Plan for medical needs** like medications that require refrigeration or devices that need power.
- Build and/or restock your emergency supply kit** with flashlights, fresh batteries, first aid supplies, food, water and cash.
- Identify backup charging methods** by visiting [pge.com/backuppower](http://pge.com/backuppower).

#### Where can you find additional resources?

- Review safety resources, preparedness tips and emergency planning tools. [safetyactioncenter.com](http://safetyactioncenter.com)
- Receive extra help to prepare for public safety outages from the Disability Disaster Access and Resources Program. [disabilitydisasteraccess.org](http://disabilitydisasteraccess.org)
- Sign up for Address Alerts to be notified about a potential PSPS at any important address. [pge.com/addressalerts](http://pge.com/addressalerts)
- Review the PG&E Emergency Preparedness Checklist. [pge.com/emergencychecklistbiz](http://pge.com/emergencychecklistbiz)
- If you rely on power for medical or independent living needs, apply for our Medical Baseline Program. [pge.com/medicalbaseline](http://pge.com/medicalbaseline)
- Help children learn the importance of emergency preparedness with games, safety tips and quizzes. [kidemergencysafety.com](http://kidemergencysafety.com)

#### Learn More

For the latest on PG&E's wildfire safety efforts, please visit [pge.com/wildfiresafety](http://pge.com/wildfiresafety).

For translated support in over 250 additional languages, please contact PG&E at **1-866-743-6589**.

Some of the measures included in this document are contemplated as additional precautionary measures intended to further reduce the risk of wildfires. ## CHECK OUT THE CURRENT EXHIBIT AT THE WESTERN SONOMA COUNTY HISTORICAL SOCIETY - CLASSY CARS AND THEIR CARE

This exhibit takes a look at the automotive businesses in Sebastopol from the early 1900's to today and includes auto dealerships, parts stores, repair shops, and gas stations.

Learn about the longest running address where a gas station has been since 1932, plus the oldest building, built as a modern Mobil Oil Service Station in 1940, still standing today.

Take a step back in time with our pictorial display which will let you reminisce about the town as you remember it.

You will also see a large collection of 4" hub caps, over 50 radiator badges, and hand tools actually used at a local gas station by its operator in 1958. Also on display are war time ration mileage stamps, a 1932 Sebastopol Chevrolet Co.
