CHECK OUT WATER UPGRADES \$AVE, A WATER- AND MONEY-SAVING PROGRAM!

Lower your utility bills and save water!

A SPECIAL OFFER FOR SEBASTOPOL
WATER UTILITY CUSTOMERS

The City of Sebastopol is proud to offer Water Upgrades \$ave, a new water efficiency program that helps you save water and money.

Are you a single-family homeowner or renter?

It's simple to participate — enroll online or by phone and schedule a free home assessment to select the water efficiency upgrades that make the most sense for your property. The Program installs the upgrades with little-to-no upfront cost, and you pay a fixed on-bill charge that is lower than the estimated savings — so you begin saving right away.

Indoor upgrades include high-efficiency toilets, showerheads, and aerators; future outdoor upgrades will support conversion to drought tolerant landscaping.

Participants get new building code-compliant upgrades that improve the property while reducing their water, sewer, and water-heating costs.

Are you a multi-family property owner?

Contact us today to schedule a project assessment and identify your savings opportunity.

Vice Mayor Gurney said that while “the Water Upgrades \$ave program will benefit local governments by buffering the impact of our rate increase, it will also help our local citizens by giving them an affordable tool to lower their water and energy use.”

ALL OUTDOOR BURNING SUSPENDED

The California Department of Forestry and Fire Protection (CAL FIRE) has announced the enactment of a burn suspension, beginning at 12:01 AM Monday, May 10, 2021, which bans all outdoor burning.

According to CAL FIRE, California is entering its second consecutive dry year and is bracing for what could be another devastating wildfire season. While wildfires are a natural part of California’s landscape, the fire season in California and across the West is starting earlier and ending later each year. Climate change is considered a key driver of this trend. Warmer spring and summer temperatures, reduced snowpack, and earlier spring snowmelt create longer and more intense dry seasons that increase moisture stress on vegetation and make forests more susceptible to severe wildfire.

The increasing fire danger posed by dead grass and hotter, drier conditions in the region is prompting CAL FIRE to suspend all burn permits for outdoor residential burning within the State Responsibility Areas of Sonoma, Lake, Napa, Solano, Yolo and Colusa counties. This suspension takes effect Monday May 10, 2021, and bans all residential outdoor burning of landscape debris such as branches and leaves.

See the [Press Release](#) for more information.

NO FIREWORKS IN SEBASTOPOL

Due to the extreme fire danger that they present, the Sebastopol City Council voted unanimously

on May 4, 2021 that fireworks are no longer permitted to be sold or used within Sebastopol City Limits.
