The Watersheds Walk

Saturday, 9:00 a.m. to noon
 Meet at the downtown plaza
 5 Miles – Moderate Pace

How does water flow through Sebastopol? Do you know the sources of our perennial creeks and where they go as they flow under downtown? Join Sebastopol Walks for a walk exploring the geography and history of Sebastopol's watersheds. We'll meet at the downtown plaza at 9:00 a.m. and will return by noon. The pace will be moderate with numerous stops.

Bring snacks, water, good walking shoes, and rain gear for light rain (if forecast). Heavy rain cancels.
