Subject: In support of Agenda Item #11
Date: Monday, October 18, 2021 4:34:27 PM

The capital improvements aimed at upgrades to the Library and to Ives Pool are vital to the community. I have been a patron of the library for over 40 years, and have used the pool for over 7 years. As a senior I have relied on these resources for my own well being, and feel like they contribute to the community in many ways. They deserve the ongoing financial investment that Agenda Item #11 lays out.
